★★★★★ **Good for older kids!**

By [Samantha](#) on March 12, 2018

**Verified Purchase**

My older son doesn't believe in elf on a shelf... this he believes!

★☆☆☆☆ **One Star**

By [MGRAVELY](#) on February 25, 2018

**Verified Purchase**

Stopped working after a day but the merchant is kind enough to process a refund.

★☆☆☆☆ **Big Brother, Jr. Edition**

By [Amazon Customer](#) on November 26, 2017

This is horrifying. Children don't need to feel like a literal camera is watching them. There's no way this is a good product.

★☆☆☆☆ **Denying children privacy -- even if it's fake -- is ...**

By [Robert Paxton](#) on November 28, 2017

Denying children privacy -- even if it's fake -- is abusive. Please don't raise your children to think living under constant surveillance is OK.

# Surveillance by God

Compelled  
Disclosure/  
Surveillance in  
Religious  
Community

# the color of surveillance

government monitoring of american religious minorities

georgetown law // july 19

# The Contextual Integrity Framework

1. Data subject
2. Data sender
3. Data recipient
4. The information type
5. The transmission principle

“...appropriate flows of personal information...”  
(Nissenbaum, 2009, p.127)

# Propositions

- H1: Members of religious groups that fear state intrusion on religious practices will oppose government surveillance.
  - H1a: Members of religious sub-communities that view wealth as divinely granted will favor corporate surveillance.
- H2: Members of marginalized religious groups will oppose government surveillance, while accepting surveillance through religious institutions.
  - H2a: Members of marginalized religious groups that recognize or fear cooperation between state and corporate actors will oppose corporate surveillance.
  - H2b: Members of marginalized religious groups that experience consequences from workplace surveillance will oppose corporate surveillance at large.

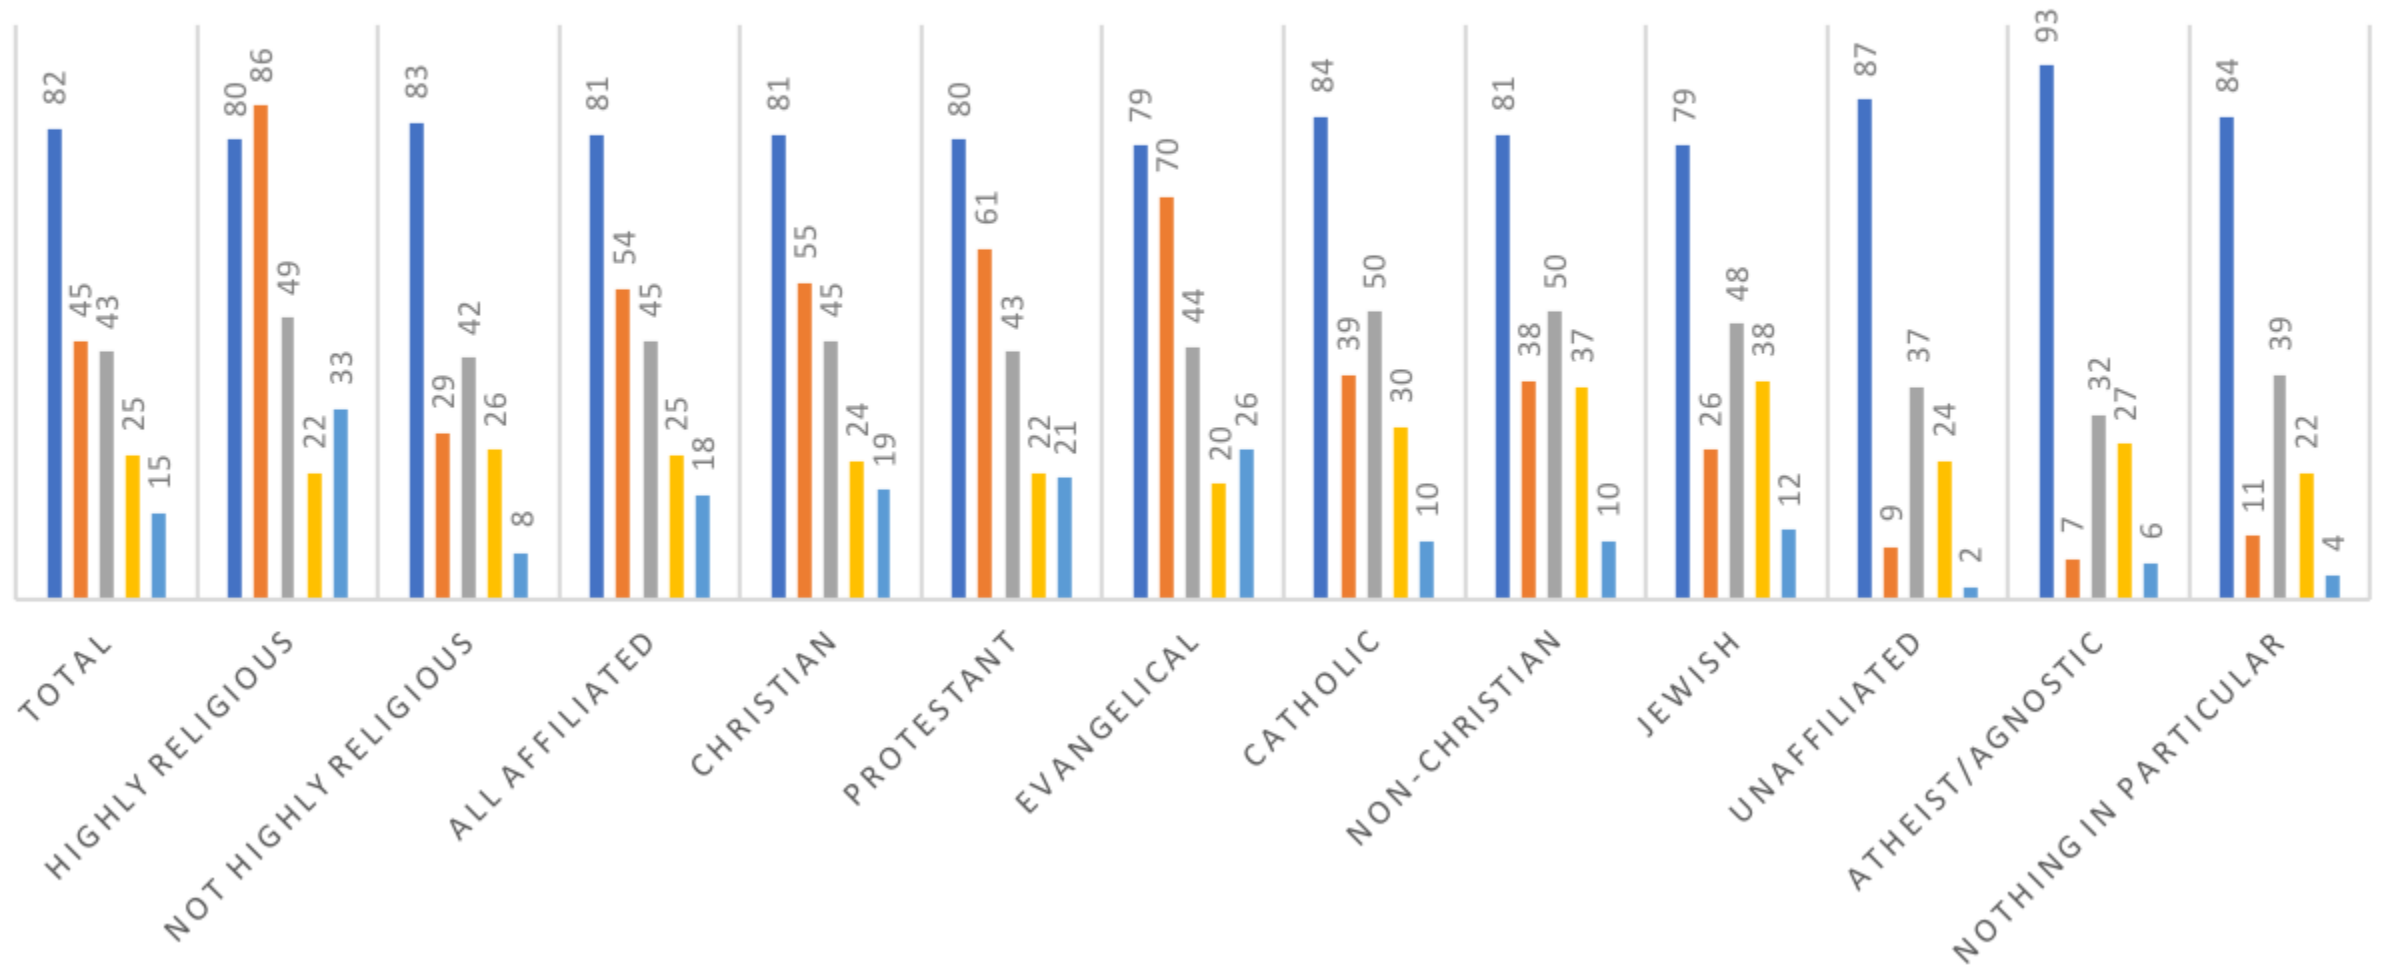

# Propositions

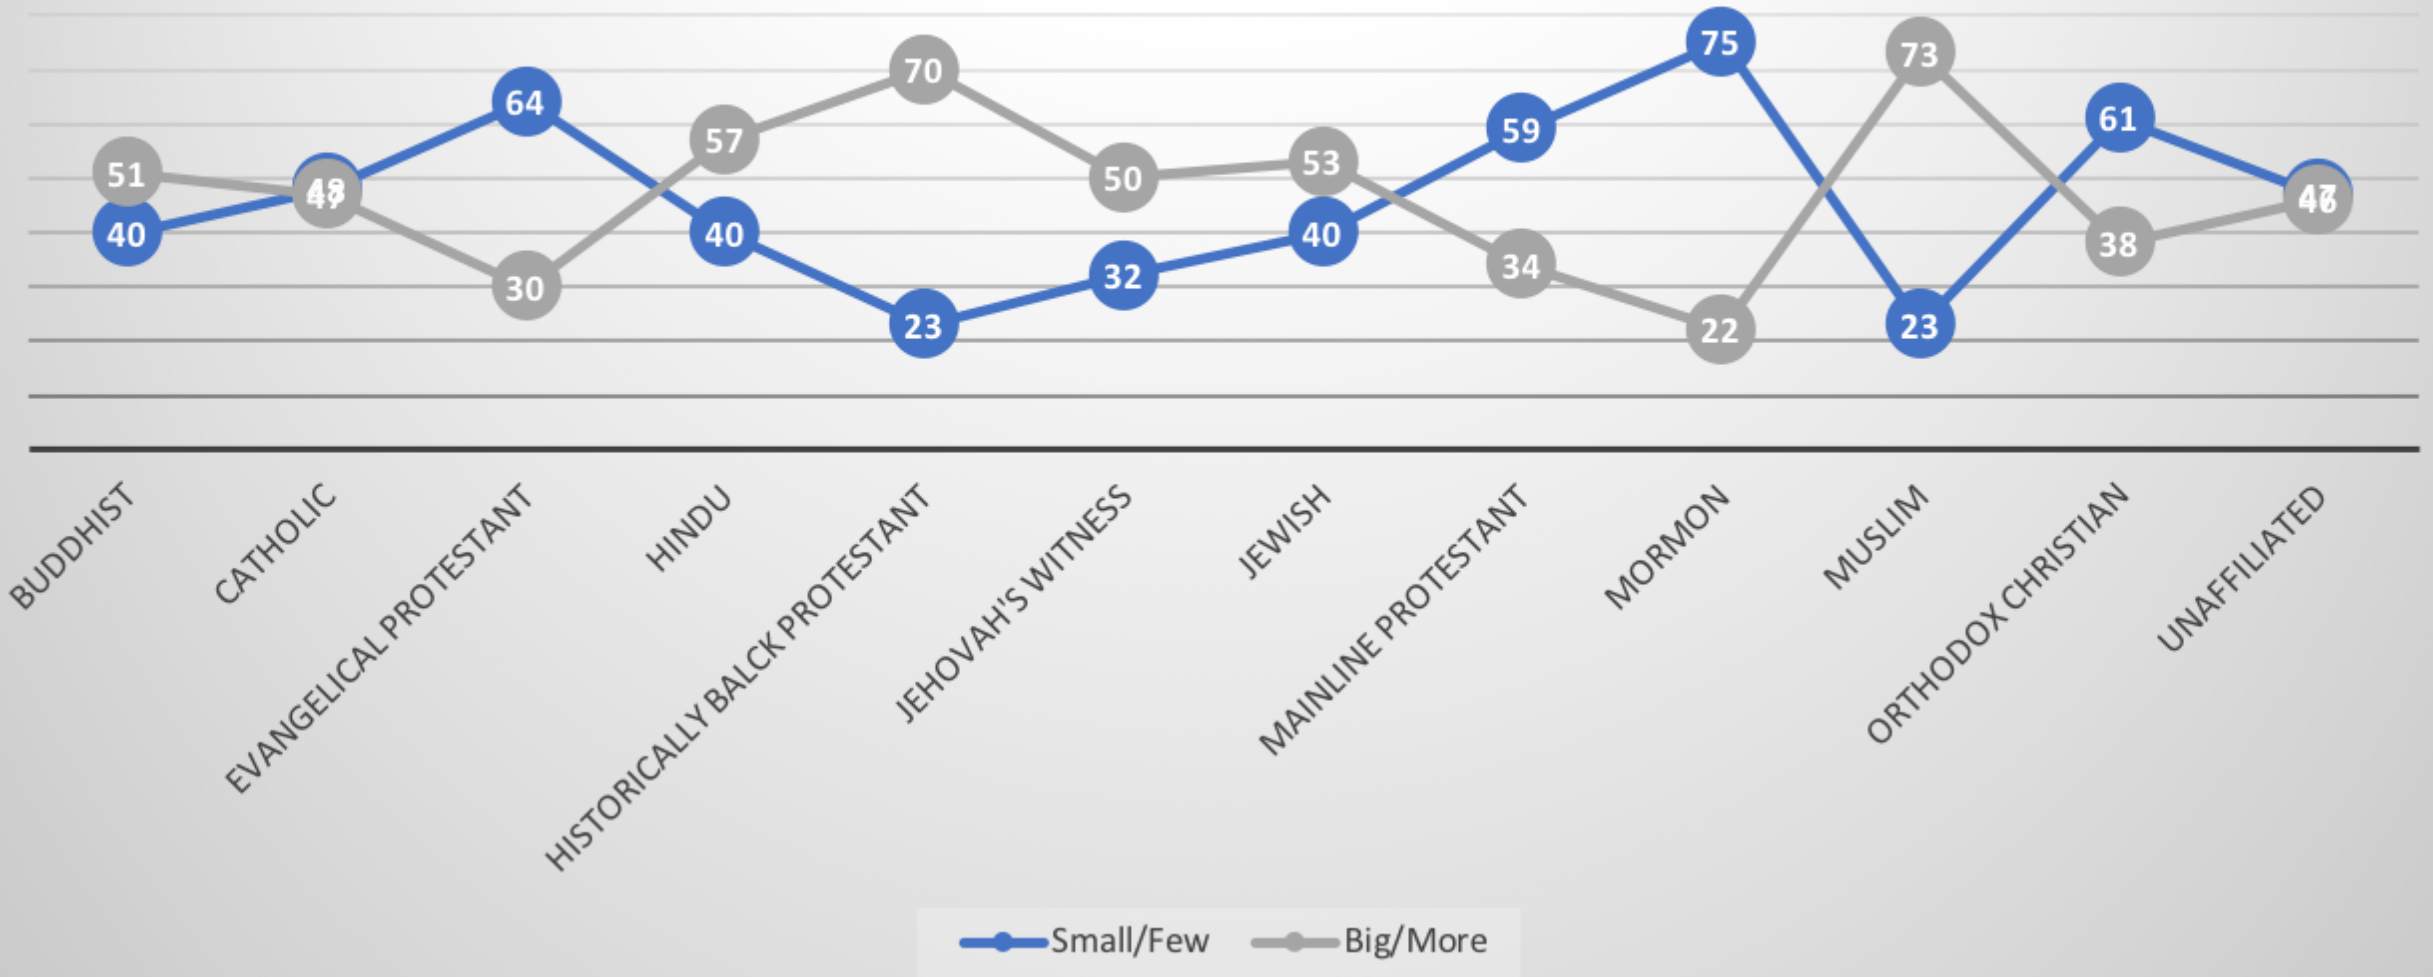

- H3: Members of religious groups with more pervasive surveillance will accept more surveillance overall.
- H4: Experience with pervasive surveillance may diminish awareness of: (a) religious surveillance and (b) corporate surveillance.
